

**ASH Waste Services, Wrexham Industrial Estate HQ**

# **CREDIT CONTROL MANAGER**

**Competitive Salary**

**The ASH Group is a family owned business, with several different businesses including ASH Waste Services, Alan Skips Hire, ASH Energy and ASH Aggregates.**

**An opportunity has arisen for a Credit Control Manager to join our team and support the growth of our business, across the whole group at our headquarters on the Wrexham Industrial Estate.**

**The Credit Control Manager will be responsible for the credit control department managing multiple ledgers, the direct debit system, the full litigation process and the day to day management of the Collection Advisors to chase and collect payments for outstanding debt.**

**The successful candidate will have experience in managing a commercial credit control and debt collection department with large numbers of ledgers. With experience in managing a team that achieves results, the successful candidate will have a proven track record of providing support, focus and direction to team members to achieve the required results and key targets. Excellent working knowledge of direct debit systems and processes will link with excellent communication, interpersonal and Microsoft skills, the ability to work in a team or on their own whilst organising and prioritising workload to meet deadlines.**

**For an informal chat please contact Katie Stocker on 01978 808990 or email a CV and covering letter to [careers@ashgrouppltd.co.uk](mailto:careers@ashgrouppltd.co.uk).**
