

Health & Safety Policy Statement

The Company will ensure, so far as reasonably practicable, the health, safety and welfare of all its employees, and the health and safety of other people, including contractors and the general public, who may be affected by the Company's activities, so to prevent injury, ill health, damage to property and the environment and to constantly improve its management systems.

To achieve the overall objective, the company will, so far as reasonably practicable, take steps to ensure the timely identification of hazards, and will seek to provide safe plant and equipment, safe systems of work, and adequate training, instruction and supervision of all employees. We are committed to consultation and participation of workers, and where they exist, workers representatives.

The company intends that its operations will comply with all relevant legislation, and codes of practice. The company will make appropriate arrangements to ensure that it keeps up-to-date regarding both its statutory and other obligations and the hazards likely to be associated with any of its activities.
